## Acute Psych Hospitalization Admissions and Bed Days Used*

* For Butler period, it includes adjustments for prior admissions and charity beds in the month in which they were reported, and does NOT include "Medicaid pending" bed days
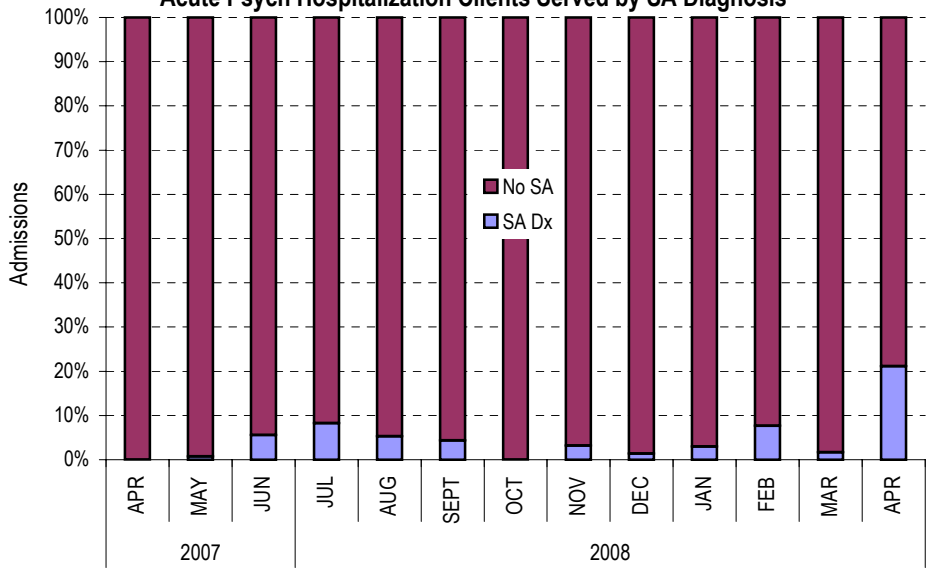

*For SSTAR period (June 07-present), it includes all clients admitted in the month in which they were admitted, and total bed days used in month in which they were used.

## Acute Psych Hospitalization Admissions by CMHO Status

**Found in MH Client database between 1999 -pre-admission

Acute Psych Hospitalization Clients Served by SA Diagnosis**

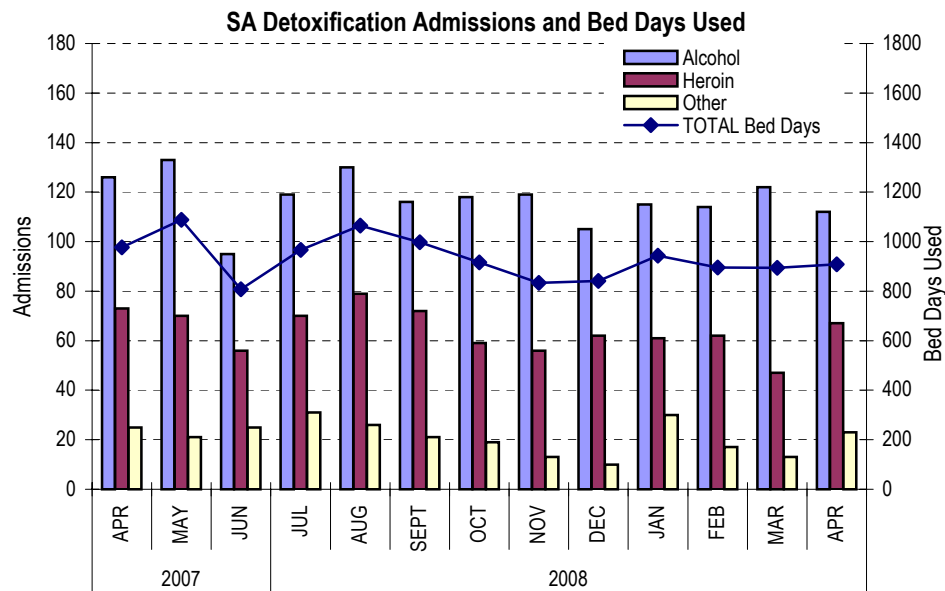

**Diagnosis of SA identified at Butler admission
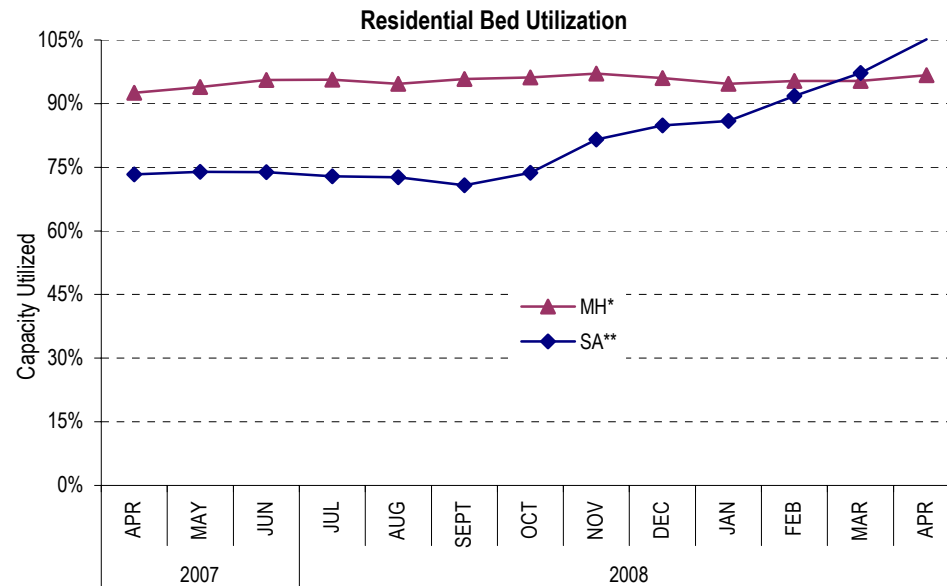

Mental Health Emergency Service Contacts*

*Agencies report emergency services differently (e.g., ES is part of central intake for some agencies but not for others.)
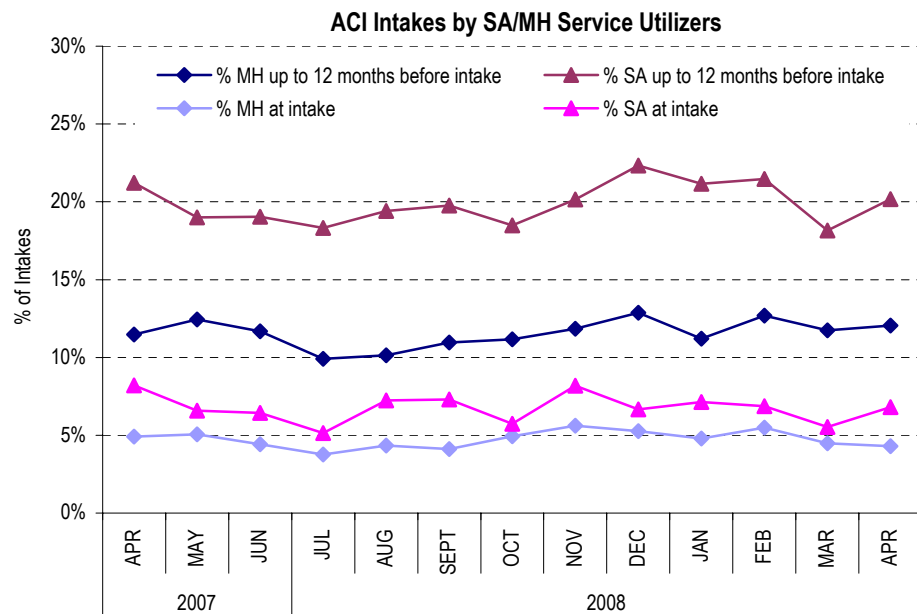

SA Detoxification Admissions and Bed Days Used

From SA Client Database (all pay sources)

*Includes all clients admitted in the month in which they were admitted, and total bed days used in month in which they were used.
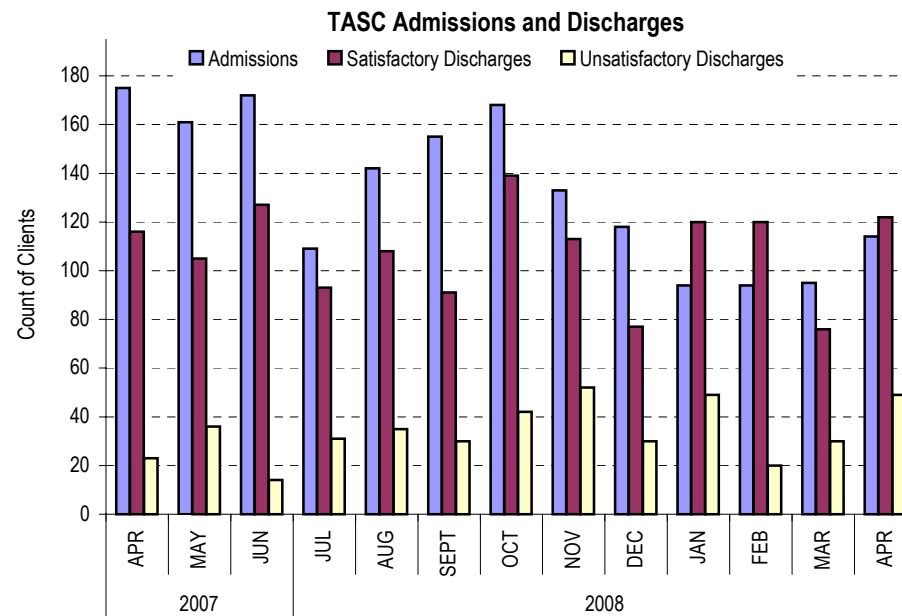

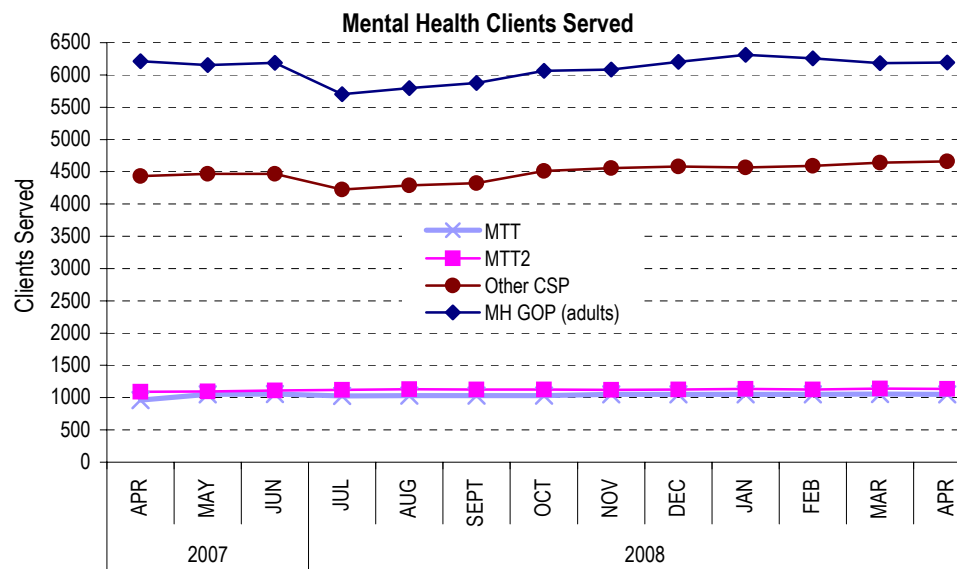

Residential Bed Utilization

*MH-Represents licensed capacity & beds utilized thru any funding stream

***SA-Represents contracted capacity & beds utilized thru DBH funding stream*

ACI Intakes by SA/MH Service Utilizers

Clients who are active as both MH and SA clients in the same time frame are counted as both.

TASC Admissions and Discharges
